

Access to the registration

According to subsection [51¹\(3\) of the Trade Marks Act](#) the **register of trade and service marks is public** after the publication of the notification concerning the trade mark registration decision. Everyone has the right to have access to the registry file and data entered in a record.

According to [subsection \(4\) of the same section](#), a written request together with information concerning payment of the state fee for each file, copy or printout of a document is submitted in order to have access to a registry file or to receive copies or printouts from the register. For the applicant and the proprietor of the trade mark, access to the registry file of their trade mark is free of charge, in other cases a state fee of €8 has to be paid according to the [section 112 of the State Fees Act](#).
