

The Estonian Patent Office participated in the knowledge fair INTELLEKTIKA 2005

21.02.2005

On 18-19 February 2005, the Estonian Patent Office participated in the 13th Tartu Knowledge Fair [INTELLEKTIKA](#). Handouts on intellectual property protection, regulations governing the protection of industrial property, methodological guides concerning patents and trademarks, the official gazettes and the yearbooks for the last four years of the Estonian Patent Office were distributed to the public by the Patent Office during the fair. The Internet connection allowed to access the homepage of the Estonian Patent Office and to perform searches in the databases of the Patent Office and in the [esp@cenet](#).
