Collection of Law Cases of the European Court: Trade Mark Disputes Volume III. Obligation to Use the Trade Mark has been published by the Estonian Patent Office in cooperation with OHIM.

The publication comprises the law cases on obligation to use the trade mark. It is meant primarily for the proprietor of the trade mark interested in the principles on which solution of the disputes on the obligation to use the trade mark found by the court are based on.

The collection consists of seven cases.

The collection is available in pdf-format on the [web page](#) of the Estonian Patent Office.
