

Video clips explain the necessity to protect your creation

21.09.2017

New video clips have been published in cooperation with EUIPO, Estonian Patent Office and Estonian small-sized enterprises Ulaelu and Iglusauna. The video clips (https://www.youtube.com/watch?v=Z_wPPNAHThM; <https://www.youtube.com/watch?v=jGfCJFhdGik>) explain in specific examples why it is necessary to protect your creation, how to do it and where to find advice and help.
