

A new book “Protecting the Community Design. Instructions” has been published (in Estonian)

08.10.2018

PATENDIAMET

In cooperation between the Estonian Patent Office and the European Union Intellectual Property Office, a book “Protecting the Community Design. Instructions” has been published.

These instructions concern the community design system enabling to have a legal protection which

- [Privacy policy](#)

applies throughout the territory of the European Union by filing a single application. The edition is mainly practical, directed primarily to entrepreneurs who wish to protect their design on the European Union level, plan to submit a community design application or are already owners of community designs.

The book can be read in the [pdf format](#) on the website of the Estonian Patent Office and on paper at the Patent Office.
