

The intellectual property organisation of Peru will join the GPPH

02.01.2019

On 6 January 2019 the intellectual property organisation of Peru will join the Global Patent Prosecution Highway (GPPH) pilot program. Now the number of participating offices has reached 26.

The project allows shorter examination process for the patent application and rises the quality of examination.

The Estonian Patent Office joined the program on 6 July 2015.
